

FAIRLAWN MAIL IN FORM

FAIRLAWNS DUES DATE IS CHANGING

Payment will be due by Feb 15th. Final dues must be completed by March 15th of that year.

First Due Date Feb 15th

If you pay by this time you will continue to receive your member benefits on the simulator and in the Pro Shop through the simulator season. Anyone who does not pay by Feb 15th will lose their member privileges temporarily.

Second Due Date March 15th

Membership is due at this time. If your membership is not paid by this time we will assume your spot is available to interested parties.

Why are we Switching?

Simply put, to track our membership numbers better and make sure we have the right amount of memberships instead of flooding the tee sheet with one type of player. This will ensure the tee sheet has something that works for you instead of your time never being available.

Please select one of the following

- ☒ I'm returning with the same membership option I had last year.
- ☒ I'm returning but under a different membership

If you are returning under a different membership please also send page two.
